**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please save our choices for Internet and other services. It is very difficult to get internet in rural areas and Centurylink, the other provider in this area is unable to service everyone. To deny the public the ability to have choices is very un-American and not what this country was built on.
